

Students' International Conference "CERC 2018"

CONFERENCE TOPICS

1. Computer Science, Modelling, and Simulation
2. Electrical Engineering and Electronic Systems
3. Communications and Signal Processing
4. Robotics, and Automation
5. Mathematics Applied in Engineering
6. Applied Physics
7. Military Science
8. Management
9. French
10. English
11. Intercultural Communication
12. Constructions and Fortifications
13. Engineering and Geomatics
14. Armament Systems
15. Aerospace Engineering
16. Mechanics and Strength of Materials
17. Materials Technology
18. Automotive Engineering
19. Professional and Intercultural Development through Erasmus+ Mobility.

TECHNICAL INFORMATION

A. GENERAL INFORMATION:

- The program will include papers in the specified fields
- Languages: English, French, Romanian
- Equipment: computers, video-projectors, etc.

B. DEADLINES:

The **abstract** (max. 150 words) will be sent by 15.04.2018 and the **full paper** should be sent by **15.05.2018** at

<https://easychair.org/conferences/?conf=cerc2018>

C. ACCOMMODATION

The Military Technical Academy provides free of charge accommodation and meals.

D. PROGRAM

20 June 2018:

- 14.00-22.00 Registration and accommodation
- 18.00 – 19.00 Dinner

21 June 2018:

- 07.00-08.00 Breakfast
- 08.00-09.00 Conference Opening
- 09.00-14.00 Sections
- 14.00-15.00 Lunch
- 15.00-18.00 Sections
- 18.00-19.00 Dinner

22 June 2018:

- 07.00-08.00 Breakfast
- 08.00-13.30 Sections
- 13.30-14.00 Closing ceremony

MAILING ADDRESS:

NOTE FOR THE AUTHORS

Papers must be printed on standard sheets of paper A4 format (**maximum 8 pages**). Language: English or French. The margins: left - 25 mm, right – 25 mm, top – 25 mm, bottom – 25 mm, header and footer – 15 mm.

A WinWord text editor must be used in editing the work with “Size 12”.

The text must be formatted as follows:

Title: – Font: Times New Roman; Size: 14; Bold; Centred.

Authors’ names: must be printed at one blank line under the title – name and surname; Font: Times New Roman; Size: 12; Font Style: Bold; Paragraph Alignment: Centred. Academic titles must not be written. An asterisk will be inserted after surname (*) [options which will be used: “*insert, footnote, symbol* (*), *endnote*]. The asterisks will appear under the last line written. Here are specified the institutions of the authors marked by the asterisk.

Abstract: under authors’ names, 4-5 lines in English, size “12”, “Italic” style.

Paper: Font: Times New Roman; Size: 12; Paragraph and the titles of the paragraph: should begin at the distance of a Tab from the left set up of the page; Alignment: Justified. Between the text line and the title of the chapter or of the paragraph as well as between the title of the chapter or of the paragraph and the following first line a blank space of two lines must be left.

The figures, graphics and schemes will be inserted in the text in BMP, GIF, JPG, TIF, and etc. format. All the elements of the figures should be explained in the text. The formulas and mathematical symbols will be edited with the equation editor Microsoft Equation with the same “size 12” centred on the line, numbered at the right margin between brackets.

References at the end of the paper must be written in accordance with the standards. The literature cited in the text must be annotated with a figure in square brackets.

The number of the pages must not be written.
