Subject: ESDC message on the 70th anniversary of the Military Technical Academy

Dear Brig. Gen. Prof. Eng. Iulian Constantin Vizitiu,

On the 70th anniversary of the Military Technical Academy, I would like to express my congratulations and sincere appreciation to you and your institution.

Furthermore, please allow me to take this opportunity to express my gratitude for your willingness and the efforts you have made to join the network of the European Security and Defence College.

I truly believe that this membership will open up new opportunities and means of cooperation between network members and the Military Technical Academy in establishing new projects and training programmes, in line with your technical expertise in military education and research.

We are looking forward to fruitful cooperation.

Yours sincerely,

Dirk Dabois
Head ESDC
