Letter of Congratulation

Dear Ladies and Gentlemen!

As the Chairman of the Military Erasmus Implementation Group for the *“European initiative for the exchange of young officers inspired by Erasmus”*, allow me to congratulate – on behalf of all Implementation Group members – the Military Technical Academy "Ferdinand I" for its 70 years anniversary of continuous scientific evolution in military polytechnic education.

On European level the Military Technical Academy "Ferdinand I" has always been a spearhead when it came to coordinate any officer education concerning the technical field.

Following the recommendations of the General Annual Report on ESDC activities to all European Union Ministers of Defence, I look forward to the next steps, when an International Technical Semester will be elaborated, and I think that the Military Technical Academy "Ferdinand I" will contribute to this essentially.

I wish you all the best and your celebrations a great success,

yours sincerely,

Colonel Assoc. Prof. Harald GELL, PhD

Chairman Implementation Group
