A LETTER OF APPRECIATION

*to the leaders and staff of the Military Technical Academy
"Ferdinand I" on the occasion of celebrating 70 years of continuous
scientific evolution in military polytechnic education*

May 17th

*Dear Brig. Gen. Eng. Prof. Iulian Constantin VIZITIU Ph.D.
Rector of Military Technical Academy “Ferdinand I”,*

*The academic community of Artillery AD and CIS Faculty at
“Vasil Levski” National Military University is greeting you on the
occasion of celebrating 70 years of continuous scientific evolution in
military polytechnic education.*

*Military Technical Academy "Ferdinand I" is a prominent and
distinguished structure in Republic of Romania, the European Union
and NATO. Your organization is a model to follow and guarantees
the developing of highly-trained staff, who successfully perform the
assigned tasks while participating in allied and multinational
operations.*

*On this festive day for you, we would like to express our
appreciation of your professionalism, high spirit, perseverance and
responsibility, and wish you a long-lasting success in educating
military technical staff.*

*We are sure that this day will not only be a day for celebration,
but also a day to give an assessment of your achievements and to
focus on future plans and projects.*

Respectfully yours

*DEAN OF “ARTILLERY, AIR DEFENSE AND CIS” FACULTY
Colonel Eng. Assoc. Prof. Dilian Dimitrov Ph.D.*
