

*“Dear Romanian friends,*

*On behalf of the Commandant-Rector and the academic society of the Military University of Technology, I would like to congratulate Military Technical Academy on the occasion of the celebration of the 70<sup>th</sup> anniversary of continuous scientific evolution in military polytechnic education. We are proud of our great cooperation which is built on solid base and allows us to achieve individual objectives with mutual benefits. Military Technical Academy in Bucharest is one of our best international partners. Our strategic partnership emulates the high standards of European education and fits perfectly in our common European identity. Actually, we are a younger brother of your academy, so, on this occasion of such a splendid jubilee, I am sending the academic society and all your guests participating in the celebrations, heartfelt wishes. I wish all of you new goals, new achievements, continuous growth and a prosperous future!*

*All the best for the next 70 years!*

*Thank you!”*

*Vice Rector for Military Affairs*
